

Crossings Film Series: Ron Coulter

The first time **Ron Coulter** learned about Crossings 6-step method, it reminded him of root cause analysis. You start with a superficial problem, and keep digging and asking why until you get to the root cause.

Ron appreciates how the Crossings method pushes you to keep both the Law and Gospel in mind at the same time, never losing sight of one at the expense of the other.

Ron enjoys the annual Crossings Conference and appreciates the value of meeting in community. He also hopes Crossings continues to evolve with technology, continuing to grow as a dynamic, vibrant, and interactive online community.
