

Crossings Film Series: Ruth Hanusa

Ruth Hanusa learned about Crossings through Co-Founder, Ed Schroeder, in the late 1980's. Ed led Ruth, along with her congregation in Nevada, through a weekend retreat on Law/Gospel and the Crossings Matrix. She has subscribed to the Crossings newsletter ever since! Along with taking advantage of the reading resources offered by Crossings, Ruth faithfully attends the annual Crossings Conference, reconnecting with folks who are important in her life.

Ruth loves applying the Law/Gospel lens for use in her preaching. It helps her to read the text closely and pull out the Good News of Christ crucified. Listen as she shares about one of those texts.
