

Crossings Film Series: Steve Turnbull

Reconnecting and strengthening Christian relationships brings **Steve Turnbull** back to Crossings Conferences year after year. When asked to describe the Crossings Community and its work, Steve uses one word: intersection. He appreciates how Crossings focuses our attention on the ways in which God's Word intersects with our daily lives. The Crossings Method helps him to see that God is at work already in the world, in front of the church, before we even get there.
