

Crossings Film Series: Liv Larson

Reverend Liv Larson Andrews serves as pastor of Salem Lutheran Church in Spokane, Washington. She was a first-time speaker this past January at Crossings' 8th International Conference. She shares more here about her presentation, "Hidden in the Pews - Space for Rage, Space for Hope."

Liv reminds us that Christ is present in the sacraments, particularly in the waters of baptism. She sees the connection between the sacraments and the experience of suffering, and the space for healing in that connection.

Liv enjoys the rich platform Crossings provides and the reliable

experience of scripture that can be found in this community.
