

FAITH SEEKING UNDERSTANDING:

Chapter 1: What is Crossings?

The Crossings Community is an open worldwide network of Christians dedicated to connecting the Word of God and daily life under the motto, "*Crossing Life with the Promise of Christ.*" What makes our approach distinctive is our commitment to a theological outlook called the proper distinction of law and gospel.

We regard the Gospel as a problem-solving message – genuine good news for sinners – and the Holy Scriptures as problem-solving literature. In a nutshell, we believe that the Gospel and the Scriptures address a festering God-problem that is in, with and under all our other problems, and for which only the death and resurrection of Jesus Christ is the corresponding God-solution.
