Listen as Steve gives a great explanation of the **Crossings Method**. In his words, the Crossings Method is a way to look at life, culture, film, literature, and Scripture through the lens of the distinction between Law and Gospel.

It is a specific process for examining Scripture and ourselves through the prism of distinguishing law and gospel. Once we have listened to the Word of God in the biblical narrative, we set our lives, our narratives, next to it and connect them, “cross” them, to understand how faith in that Word and daily life are interwoven.
