

FAITH SEEKING UNDERSTANDING:

Chapter 5: Do You have Yahbut's Disease?

Today Steve tells us about a different plague from a different time...or is it really that different?

At the time of Luther, a terrible disease was sweeping across Europe, the Plague. Today the world is suffering under a different kind of plague, the Coronavirus. They are not the only kinds of disease that afflict our world. Another disease afflicts our world that is far more pervasive than any plague: the dreaded "YAHBUT'S DISEASE!" The cure of this disease comes from the most surprising of places: the cross of Christ!
