

FAITH SEEKING UNDERSTANDING:

Chapter 6: What Is Christian Freedom?

[Steve Chapter 06](#) from [Unify Creative Agency](#) on [Vimeo](#).

Today Steve tackles the tough subject of Christian freedom and cheap grace. As he states, one of the biggest criticisms of Crossings and Luther is that both promoted the notion of CHEAP GRACE, that is “Now that you don’t have to be saved you can do anything you want.” Luther addressed this contradiction in his famous essay “The Freedom of the Christian.” He said that as a Christian, you are FREE: lord of all and subject to no one.

And as a Christian, you are a dutiful SERVANT, and subject to

everyone. This is no cheap grace but rather a description of the Christian who is FREE to SERVE all in need.
