

FAITH SEEKING UNDERSTANDING: Chapter 7: Where have you seen God in your life this week?

Where have you seen God in your life this week? This is a familiar question asked in many churches sometimes even at the start of a sermon.

The answers always focus on the pleasant and happy things of life. But what about suffering, sorrow and pain? Can we see God in places like that? God always remains hidden when we want to find him. Instead God chooses to reveal himself in Christ and his promise. There we are given the eyes of faith and are able to see God hidden in the ordinary things of life.
