

FAITH SEEKING UNDERSTANDING:

Chapter 8: Will Everyone be Saved?

What about those who have never known or believed in Christ? Will they be saved? In the end, will everyone be saved? What about Uncle Charlie?

Everyone has an Uncle Charlie in their lives, the good person who never went to church and never believed in God. What about them? Will they be saved? Ultimately, that is God's problem and not ours. Thank God it is. In the meantime it is our job to share with all the one thing that is clear and certain: God's love in Jesus Christ. The rest is up to God.
